Navigating to Courses

When you log in to Aria Academy, you will see a section called **My Training**. This is your home page where you will find courses that are assigned to you.

Click through the tabs in the My Training section to view courses you have not started yet, courses you currently have in progress, overdue courses, and completed courses.

Learning Paths

Select one of your assigned courses to open the **Learning Path**. This Learning Path dashboard page will show you information including the Courses and corresponding Modules for each course.
